THE MISSION

In the tradition of our Patron, Blessed Pier Giorgio Frassati, Kennedy Catholic's Integrated Service-Learning Experience (ISLE) facilitates student academic learning through meaningful service experiences, assisting students in responding to the Gospel call. Students will demonstrate their mastery of academic and elective pursuits as emerging faith-filled citizens who are prepared to leave their productive mark on the greater community.

DEFINITION

Culminating Project: In the context of their junior Theology, senior English, and senior Social Studies classes, students will a) commit to a specific service experience, b) develop a culminating cross-curricular paper, and c) develop a panel presentation that reflects their mastery of writing, critical thinking skills, and social responsibility.

REQUIREMENTS

1. **The Service-Learning Experience:** Working with your grade 10 and 11 Theology teachers, you will connect to an organization that demonstrates an understanding of, and the ability to practice the Seven Themes of Catholic Social Teaching and The Beatitudes within the context of a dedicated Service-Learning Experience.
2. **The Presentation:** As a component of your American Government class, you will develop a presentation for the paper above designed to demonstrate an ability to visually communicate through the use of a multimedia format (PowerPoint, Prezi, etc.). You will then make your presentation before a faculty panel.

BACKGROUND INFORMATION

What is service-learning?

"Service-Learning is a teaching and learning approach that integrates community service with academic study to enrich learning, teach civic responsibility, and strengthen communities." -National Commission on Service-Learning

What does the United States Conference of Catholic Bishops say about service-learning?

"There is a universal need to be more explicit in teaching the principles of Catholic social thought and in helping people apply and act on those principles. Offering both experiential learning opportunities and training and reflection on Catholic social teaching is essential."

"There is a need for Catholic educational and catechetical programs not only to continue offering direct service experiences but also to offer opportunities to work for change in the policies and structures that cause injustice."

What is Catholic Social Teaching?

Rooted in the Bible and developed through Church tradition, Catholic Social Teaching (CST) is the Catholic Church's articulation of its reflection upon human beings in society. CST strives to foster loving action in the world by sharing a transformative social vision. CST is not a fixed body of writings or doctrine. Rather, CST grows, develops and changes over time in order

to respond to the complexities of any given age and maintain relevance in the world. CST's seven themes have been articulated by the United States Catholic Conference of Bishops (USCCB) and provide a framework through which to understand what our Catholic Church teaches us about justice.

What are the seven themes of Catholic Social Teaching?

1. **The Life and Dignity of the Human Person:** Life is sacred from conception to natural death; People are more important than things.
2. **The Call to Family, Community, & Participation:** Marriage and family foundational to society and need to be supported; everyone has right to participate in social, economic and political life.
3. **Rights and Responsibilities:** Right to life; Right to conditions of decent life (education, healthcare, employment, and housing); Have duty to secure these rights not only for selves but for others.
4. **Option for the Poor and Vulnerable:** Society measured by how it stands with poor and vulnerable.
5. **The Dignity of Work and the Rights of Workers:** Right to productive work, fair wages, organize.
6. **Solidarity:** One human family; Commitment to common good vs. individualism
7. **Care for God's Creation:** We are stewards of earth and participate in God's creation.

THE BEATITUDES

Defined in The Sermon on the Mount (Matthew 5:3-12 and Luke 6:20-26), The Beatitudes are the heart of Jesus' teachings and describe the ways in which we should live and act. The Beatitudes serve as affirmations of the undeniable dignity of human beings, especially those most disadvantaged in society: the poor, the afflicted, the meek, the hungry, the persecuted. Ultimately, The Beatitudes honor the ways in which Jesus wants us to treat each other.

What does the Catechism of the Catholic Church say about the Beatitudes?

"The Beatitudes depict the countenance of Jesus Christ and portray his charity. They express the vocation of the faithful associated with the glory of His Passion and Resurrection; they shed light on the actions and attitudes characteristic of the Christian life; they are the paradoxical promises that sustain hope in the midst of tribulations; they proclaim the blessings and rewards already secured, however dimly, for Christ's Disciples; they have begun in the lives of the Virgin Mary and all the saints (CCC 1717)."

What are The Beatitudes?

Matthew 5:3-12

- Blessed are the poor in spirit, for theirs is the kingdom of Heaven.
- Blessed are they who mourn, for they will be comforted.
- Blessed are the meek, for they will inherit the land.
- Blessed are they who hunger and thirst for righteousness, for they will be satisfied.
- Blessed are the merciful, for they will be shown mercy.
- Blessed are the clean of heart, for they will see God.
- Blessed are the peacemakers, for they will be called children of God.
- Blessed are they who are persecuted for the sake of righteousness, for theirs is the kingdom of heaven.
- Blessed are you when they insult you and persecute you and utter every kind of evil against you because of me. Rejoice and be glad, for your reward will be great in heaven.

STEP 3: EVALUATION AND PANEL REVIEW

Each of the three project components will be graded in the class through which they are developed. Each component must be completed in order to receive credit for the course. For example, if a student does not complete the grade 11 Service-Learning contract, credit in grade 11 Theology will be withheld until such time that the Contract is submitted. Or if a student does not write the final paper, grade 12 English credit will be withheld until it is written and receives a passing score.

The final drafts of the written papers will be read and scored by the faculty

You will also give a formal presentation of your project before a faculty panel to determine if the project meets the minimum standard needed for graduation.

Students whose papers and/or presentations do not meet the minimum criteria for standard will have to re-submit an improved project at an arranged date prior to graduation.

Grading Scale Scoring:

- A score of 4 represents above standard
- A score of 3 represents the meeting of standard
- A score of 2 represents below standard requiring specific, but minor improvements prior to graduation
- A score of 1 represents an unacceptable submission requiring remedial alternatives for graduation

Standardized Grading Sheets:

- Specifically designed grading sheets will be used for each step of the process

GUIDELINES & RULES FOR SUCCESSFULLY CHOOSING AND COMPLETING ISLE

Your 30 hours of Service-Learning Must:

- Be with a recognized service organization such as a food bank, a homeless shelter, a hospital, your parish, the Red Cross, etc. (see attached placement list)

- Be a service-learning activity in which you have an interest. This will enhance the experience for both you and the people with whom you work.

Your 30 hours Service-Learning Cannot:

- Be an extension of an existing Kennedy Catholic Organization, nor can it be linked to immediate family

- Students who do not have their service-learning experience completed by the fall of senior year will receive a failing grade in theology for Semester One until the 30 hours are completed and verified. This will also be stated in the course syllabus given out the first day of class.
