**Semester Reflection****DUE** \_\_\_\_\_

Reflection is key to any type of service. Please prepare a one page typed reflection based on the following questions:

- *Describe what you did for your service. Talk about the work you did, who you worked with, and how you were feeling.*
- *What was the primary need you were helping to serve and how did your volunteer work help to eliminate that need?*
- *In we are studying the life of Jesus Christ through the New Testament. Where did you see Christ in your volunteer work?*
- *Christ's words and actions are the foundations for our Catholic Social Teachings. Reflect on one theme of Catholic Social Teaching and how you lived it out while completing your service work.*
- *As a result of your service experience what is something you want to make an effort to do for your volunteer hours during your sophomore year? Why?*
